**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I never liked AT&T internet service. They sucked and they charged a lot. It's good to have more competitors in this business for consumer to choose from. In this age and time we really need a good and reliable internet service. I was very disappointed with AT&T service for many years and I'm really glad with Sonic service now.
